The presentation's aim is to discuss on the project's outputs, titled "THE EMIGRANT: PROBLEMS OF THE IDENTITY AND ADAPTATION OF BULGAR-BORN TURKS AFTER THEIR EMIGRATION IN TURKEY". The project is signed in two Departments -E.U.Department of Sociology, and Department of Anthropology in New Bulgarian University- in 2002, aimed at research and analysed in a scientific environment of the situation of Bulgarian born Turks after emmigration to Turkey in 1989. Via the survey and some other qualitative methods; Bulgarian and Turkish academicians worked on the field in İzmir during September 2002 and analysed technically the data, in order to search the conditions in both sides' Turks.
